1	I love Halloween and was thrilled when Lionel started making related freight / passenger / and accessories. I have more interest in purchasing Halloween products than Christmas products. Keep em coming.	10/31/2016 2:27 PM
2	Not many LCCA members have participated in this discussion topic by mid-October, so your Train Talk moderator did a You Tube search and came up with several pretty neat videos of Halloween layouts, although it's not possible to tell which may be by LCCA members. Nonetheless, they're fun. One is at https://www.youtube.com/watch?v=t0j6y5DDjOs . Another is at https://www.youtube.com/watch?v=w_1F7PZzOVA . There's a third at https://www.youtube.com/watch?v=pohMSuAtpGg . This one has some really cool stuff on it, too: https://www.youtube.com/watch?v=KZd9ZqMrY4s . There are a lot more Halloween train videos out there, but these URLs will get you started enjoying the ghoulish side of toy trains! Just copy any one of the URLs and paste into a new browser window.	10/12/2016 2:47 PM
3	Well, it may not be immune but I don't have anything to relate.	10/1/2016 3:47 PM

Q2 Please let us know the nature of your train club affiliation. (This question allows multiple answers so that you can select the last one regardless of your other selections.)
